Let's Take a Look Back at 2023....

Mountain Weather

During the summer months, the Sun Valley area often experiences severe thunderstorms. For the safety of our owners and guests, the association adheres to national safety guidelines and will close the pool and changing rooms anytime there is lightning in the area. This action at times is met with frustration by pool users.

Your cooperation and understanding during these unavoidable circumstances is greatly appreciated.

5B Swim Team

The 5B Swim Team invites Elkhorn youth ages 14-18 to participate in training with the team. A great opportunity to enhance your swimming skills.
